William Harrison (R., Wyo.), called and asked if we could provide him
with information on the approximate number of hours of external broadcast
time by radios in the Soviet Union, China, and Cuba. He is also interested in knowing the number of indigenous numbers of broadcast hours if that

Operations She had just returned from E. She had just returned from E.
Operations. She had just returned from Europe where she accompanied Senator Jackson to the meeting of the North Atlantic Assembly in Brussels.
She said that from all indications the Senator's address to the Assembly
had been favorably received and given wide coverage. She said she wanted
to thank everyone in the Agency on her own behalf and on behalf of Senator
Jackson for the assistance we had provided. She said Senator Jackson
expects to be in Washington late Wednesday and part of Thursday but she
doubted that time would permit him to get together with us before his
departure for Washington State.
